Classes marked in yellow are core courses

∞ Classes marked with an infinity symbol "∞" means 2nd year only (These classes are very hard and should be taken at your own risk)

All classes are held Eastern Standard Time

The MQF program strictly adheres to the following calendar for add/drop and withdrawal penalty periods. Please plan accordingly. Academic Calendar: <http://www.business.rutgers.edu/mba/students/calendars>

1. Econometrics, System Simulation (NJIT course), and Financial Time Series are substitutable core courses. If a student takes one of them as a core course, the student can take another one or two as electives.
2. Financial Institutions and Markets, and Risk Management (offered in the Fall) are substitutable core courses. If a student takes one of them as a core course, the student can take the other as an elective.
3. Fin. Statement Analysis & Decoding of Corp. Financial Statements are equivalent courses. One can take either one as an elective course but not both
5. Tpc: Applied Portfolio Mgt requires an application. Contact Prof. Longo at longojo@gmail.com.

6. Regarding the course registration and SPN request contact information, please see below for more detail.

Link to request SPN: <https://forms.gle/xvLYVeDnHAXgLCXc6>

1. For regular 839 courses, you need to register online by yourself.
2. **For any RBS Courses but not 839 courses**, you need to use "Link to request SPN" above these notes and fill out the form.
 - For 26:xxx:xxx:xx courses, please use "Link to request SPN." However, you should try to register for class without SPN first and then use link if you cannot get in.
 - For 26:711:685 Advanced Probability, please contact the professor for permission to take the class, then use "Link to request SPN" and submit form with proof of permission.
 - For any MBA classes (eg: 22:390:xxx:30/40/60): please use "Link to request SPN."
3. **For all Non RBS Courses**, please use "Link to request SPN", **DO NOT send individual request to department administrators or professors. See below examples:**
 - For **FSRM courses** in the Statistics Department in NB, please use "Link to request SPN" fill out the form with current transcript.
 - For Credit Risk Modeling course, do not recommend for students, it is terribly difficult. It will take time to evaluate the transcripts by Mathematical

7. Unless stated to be in New Brunswick (NB), all classes are in Newark.
